

NDT for aerospace certification of aircraft structures

Aerospace Event

Bristol, 9-10 April 2019

The BINDT Aerospace Event 2019, National Composites Centre, Bristol, UK

Following the success of the 2017 Aerospace Event in Cambridge, UK, the BINDT Aerospace and Composites Groups are continuing with their biennial Aerospace Event in April 2019 at the National Composites Centre (NCC), Bristol, UK.

The theme of the 2019 Aerospace Event will be 'NDT for aerospace certification of aircraft structures'. The event will present current research and developments in NDT for the certification of aircraft structures. Research topics will include multicopters for inspection, NDT reliability and future opportunities and challenges associated with NDT for aerospace certification within Industry 4.0. The event will be followed by a tour of the facilities at the NCC.

One Day
£95.00 + VAT

Two Days
£160.00 + VAT

Discount: BINDT Members*
– £10.00 for one day
– £15.00 for two days

Discount: NDT Level 2s*
– £20.00 for one day
– £30.00 for two days

**Only one discount will apply*

Register Now

Day 1: Tuesday 9 April 2019

The theme of the first day will be NDT for aerospace certification within Industry 4.0, covering research areas such as big data, remote NDT connectivity, automatic defect recognition and the future opportunities and challenges they present.

Day 2: Wednesday 10 April 2019

The second day will focus on research and developments in multicopters for inspection, NDT reliability, aero engine inspection and new NDT technologies. The event will be followed by a tour of the facilities at the NCC.

For registration, please complete the form and send to the address below.
