Materials Testing 2015

8-10 September 2015
The International Centre, Telford, UK
The place to meet and do business

NDT2015

54th Annual Conference

8-10 September 2015
The International Centre, Telford, UK

Session D – Commercial sessions

Tuesday 8 September	Wednesday 9 September	Thursday 10 September
Chair: M Clapham	***Chair: J Buckley***	***Chair: N Harrap***
10.00-10.50 – Tea, Coffee and Exhibition	**09.50** – Create – designing your own EC/UT instrument *B Ward* *GE Measurement & Control*	**09.10** – NDT apprenticeships *R Lyon* *BINDT*
10.50 – Simplifying ultrasonic NDT data reporting *S Pollard* *Elcometer NDT*	**10.15** – Masterscan *N Tyler* *Sonatest Ltd*	**09.35** – Reaching out to share signals with colleagues in real-time *A Hunscott* *GE Measurement & Control*
11.15 – The NDT career path: L1 to CEng *G Elliott* *Lavender International*	**10.40-11.10 – Tea, Coffee and Exhibition**	**10.00** – Working in NDT as a non-technical person *K Gardiner* *ETher NDE*
11.40 – LED illumination for UV inspection *K McLaughlin* *Advanced NDT Ltd*	**11.10** – New innovations from NDT Consultants Ltd *L Dulay* *NDT Consultants Ltd*	**10.25** – My life as a woman in NDT *G Long* *Testrade*
12.05 – Industrial radiography inspection – an update from HSE *D Orr* *Health and Safety Executive*	**11.35** – Recent advances in underwater remote ACFM® inspection *M Smith* *TSC Inspection Systems*	
12.30 – Transporting radiography sources – sharing recent experiences *L Cairns* *Office of Nuclear Regulation*	**12.00-12.25** – New eddy current solutions for automated component testing *J Hansen* *ETher NDE*	**11.15-12.00 – Tea, Coffee and Exhibition** ***Chair: N Harrap*** **12.00** – New portable UT sets *M Maass* *Fidgeon Ltd*
13.00-14.30 – Lunch and Exhibition	**12.00-14.20 – Lunch and Exhibition**	
Chair: J Hansen	***Chair: T Howell***	
14.30 – Solving special MPI bench applications and introducing the new PBU *J Bone* *Baugh & Weedon*	**14.20** – Focal spot measurement of rod anode tubes *J P Steffen* *X-Ray Worx*	**12.25** – So you want to be an NDT Level 3? *S Lavender* *Lavender International*
14.55 – Practical applications of acoustic emission *B Morris* *MISTRAS Group Ltd*	**14.45** – Emerging X-ray technologies *S Whitbread* *Hamamatsu Photonics UK Ltd*	**12.50** – PAUT, innovative X/Y scanner and tools for corrosion mapping *J Poirier* *Zetec*
15.20 – CIVA analysis *C Quintanilha and F Foucher* *Extende*	**15.10** – Determining the true status of fatigue cracks – EFS *R Morgan* *Metal Fatigue Solutions*	
15.45-16.30 – Tea, Coffee and Exhibition	**15.35** – What's new from Olympus? *P Edwards* *Olympus*	**13.15** – Multi-angle UT camera for shear and straight beam: simplicity with higher POD *B Lasser* *Imaginos NDE*
16.30 – Developments in phased array ultrasonics technology from PRAGMA NDT *P Burrows* *Imaginos NDE*		**13.45 – Lunch and Exhibition**
