Dear Sir/Madam,

Apprentice's name: _____

Unique Learner Number (ULN): _____

Apprentice's company name: _____

Date assessment carried out: _____

The above-named apprentice has completed all learning associated with the apprenticeship.

The apprentice wishes to apply for the following:

End-point assessment.

Included with this communication is the apprentice's 'Portfolio of Evidence'.

I can confirm that within the relevant sections of the supplied portfolio, the apprentice can evidence appropriate study aligned with and covering the knowledge, skills and behaviours detailed in the apprenticeship standard and evident in the main themes for target application of those attributes therein.

I can confirm that the apprentice has been made familiar with the BINDT guidance document on the relevant end-point assessment process as available on the Apprenticeship Document Download page of the BINDT website under the appropriate apprenticeship header/banner.

I look forward to hearing from you.

Yours faithfully,

Signature of employer: _____ Name of employer: _____

Signature of Main Provider: _____ Signature of apprentice: _____
