

Aerospace Event

Glasgow, 25-26 April **2023**

PCN & CPD POINTS APPLY

The BINDT Aerospace Event 2023, Technology & Innovation Centre, Glasgow, UK

Following the success of the 2022 Aerospace Event in Bristol, BINDT's Aerospace Group is continuing with its Aerospace Event in April 2023 at the Technology & Innovation Centre, University of Strathclyde, 99 George Street G1 1RD, Glasgow.

The event will focus on the latest in technology developments, from the improvement of traditional methods and the development of new and by the application of the technology, in particular how the technology can be automated for increased inspection integrity.

An Aerospace Exhibition will run alongside the event, showcasing the latest products, innovations and technology available to the industry today. This is an excellent opportunity to meet with industry colleagues, network and learn about the very latest NDT technology and services available from around the world.

Day 1: Tuesday 25 April 2023

The theme of the first day will be **Advanced/new techniques and aerospace composites.**

Day 2: Wednesday 26 April 2023

The second day will focus on **Robotics and automation.**
