APPRENTICESHIPS

[www.bindt.org/apprenticeships](http://www.bindt.org/apprenticeships)

## Why choose BINDT as your End-Point Assessor?

BINDT has developed a low-cost apprenticeship end-point assessment package that delivers maximum benefit at minimum cost to employers and apprentices. All you need to do is ask your Lead Provider to select BINDT from the Institute for Apprenticeships (IfA) database to carry out your end-point assessment, notify BINDT and leave the rest to us.

## What is included in the package?

Benefits	
Involvement of the Professional Body (BINDT) from the beginning of the apprenticeship	✓
Advice on the apprenticeship and the inherent processes	✓
Technical support	✓
Mentoring and guidance	✓
Low-cost end-point assessment	✓
Quick turnaround of results	✓
Provision of the apprenticeship certificate	✓
Presentation by the President of BINDT	✓
BINDT membership (online Affiliate grade)	✓
BINDT personal log book	✓
BINDT information and records supplement	✓
BINDT rucksack to keep essential documents safe	✓
BINDT lapel pin	✓
Engineering Council Registration (for the first year) on successful completion	✓

## Fees 2020

NDT Operator	£1775.00
NDT Engineering Technician	£2330.00
NDT Engineer	£2330.00
Industrial Coatings Applicator	£1800.00

To make it more convenient to you, for NDT Operator and NDT Engineering Technician apprentices, end-point assessments can be carried out at the premises of the employer, Lead Provider or Authorised Training Organisation (ATO)/Authorised Qualifying Body (AQB), whichever is most suitable, provided the appropriate facilities are available.

Issued by the British Institute of Non-Destructive Testing  
Midsummer House, Riverside Way, Bedford Road,  
Northampton NN1 5NX, UK
