1 TERMS OF REFERENCE AND METHOD OF WORKING OF THE GCM WORKING GROUP COMMITTEE

1. INTRODUCTION

1.1 The Terms of Reference and Method of Working of the GCM Working Group (GCM WG) shall be approved by the Condition Monitoring Technical Committee (CMTC), whose terms of reference are approved by the Council of the British Institute of NDT.

1.2 The GCM WG is concerned with technical matters relating to the certification of personnel engaged in a broad range of Condition Monitoring activities and its members should therefore have relevant knowledge and expertise across the discipline as a whole.

2. CONSTITUTION

2.1 The GCM WG Chair shall be appointed/ratified by the CMTC with a renewable term of office. The GCM WG Chair shall appoint a deputy in their absence.

2.2 The Chair of the GCM WG shall act as liaison with CMTC.

2.3 Ordinary members of the GCM WG shall be nominated representatives from organisations and industrial companies with specific interests in the scope of operations of the GCM WG.

2.4 BINDT Approved Training Organisations (ATO) shall be invited to nominate a representative to contribute to the work of the GCM WG.

2.5 The GCM WG may temporarily co-opt non-member specialists in order to assist in development projects.

3. TERMS OF REFERENCE

3.1 The GCM WG shall provide expertise for the purposes of:

3.1.1 Drafting documents detailing PCN GCM personnel examination format and content consistent with the standards adopted within the PCN Scheme(s);

3.1.2 Developing examination/training syllabuses (where no externally published and nationally accepted syllabuses exist) to address existing and forecast needs of industry;

3.1.3 Drafting examination questions to address shortfalls in the PCN GCM central examination question bank;

3.1.4 Ensuring that, when drafting documentation, or through revision and amendment of existing documentation, the certification available is compatible with International and European standards covering certification of personnel where this is appropriate;

3.1.5 The GCM WG shall be responsible for reviewing examinations and appeals;
3.1.6. Ensuring that scientific and technical developments are adequately catered for in the PCN GCM certification examinations available;

3.1.7. Undertaking regular review of technical documentation and making recommendations for redrafting or amendment of existing documents and the need to draft additional documents;

3.1.8. A representative from the GCM WG may attend the BINDT standards committee meetings and report back to the GCM WG any relevant updates.

3.2. All members of the GCM WG shall at all times preserve the confidentiality of information to which they may gain access in the course of their duties.

4. METHOD OF WORKING

4.1. The GCM WG shall hold meetings convened by the Chair as required (minimum 2 per year).

4.2. Minutes of every meeting shall be produced and circulated to GCM WG members.

4.3. The business of the GCM WG shall be conducted by consensus (each contributing organisation will have one vote only).

4.4. Quorum – a quorum is required for each meeting (including phone-in members) comprising: Chair or Convenor; BINDT Staff Member; at least 3 other voting members.
