**UK NANDTB 28 Form A**

This form is to be used with reference to EN4179:2021 and the next review of this standard to maintain harmonisation with the US NAS410 revision 6 scheduled for release in 2025.

Please complete the following details for all requests which will be considered by the UK NANDTB to be taken forward to the next harmonisation committee. Before completing this form please review other items on NANDTB\_28 for similarity.

|  |  |
|--|--|
| Date   |  |
| Submission by:   |  |
| Representing:  |  |
| Position:  |  |
| Email/Phone:   |  |
| Reference to EN4179:2021   |  |
| NANDTB_28 ref (where proposal is similar or an amendment to an existing proposal please reference here)              |  |
| Please provide a brief summary with rationale of the amendment you would like to see in the next revision of EN4179: |  |
| <br><br><br><br><br><br><br><br><br><br>   |  |
| Where applicable, please provide a draft proposal of the text/amendment you would like to see in the standard:       |  |
| <br><br><br><br><br><br><br><br><br><br>   |  |
| Please provide evidence that this amendment does not conflict any other requirements                                 |  |
| <br>   |  |

Please submit completed forms to [uknandtb@bindt.org](mailto:uknandtb@bindt.org) for consideration.

All submissions will be assessed by the UK NANDTB and those considered valid will be included on the live version of the NANDTB\_28 document
