

The British Institute of Non-Destructive Testing

NDT2023

60th *Annual Conference*

Co-located with CM 2023 to celebrate the
60th Annual British Conference on NDT

Call for Papers

12-14 September 2023
*Northampton Town Centre Hotel,
Northampton, UK*

BI **NDT**
THE BRITISH INSTITUTE OF
NON-DESTRUCTIVE TESTING

Co-located with
CM 2023

NDT 2023 Conference

NDT 2023 will consist of three parallel technical sessions covering a broad range of NDT technologies and applications. Papers from both academia and industry are encouraged.

The Nineteenth International Conference on Condition Monitoring and Asset Management (CM 2023) will be co-located with NDT 2023 to celebrate the 60th Annual British Conference on NDT, which will allow delegates to customise their experience by visiting both events under one roof.

Offers of papers are invited on all aspects of non-destructive testing, including:

- Rail and axle testing
- Aerospace
- Bonded joint inspection
- Power generation
- Nuclear
- NDT of food
- NDT in forensic science
- Automated and robotic NDT
- Theoretical modelling
- Inspection qualification
- Composites
- Adhesives and bonding
- Thermography
- Ultrasonics
- Phased arrays
- Electromagnetics
- Radiography
- Digital radiography
- Digital signal processing and imaging
- Novel techniques
- Monitoring
- Research
- Time-of-flight diffraction
- Technology transfer in NDT
- Medical and related NDT
- NDE 4.0
- Structural health monitoring (SHM)
- Terahertz technologies
- Technique validation
- The needs of NDT end-users

NDT 2023 Abstract Submission

Abstracts (of no more than 200 words) must be submitted online at: <https://mc.manuscriptcentral.com/ndt2023> or via the link on the BINDT website at: www.bindt.org by 5 May 2023.

Table-Top Exhibition

From Tuesday 12 to Wednesday 13 September, over 50 companies are expected to exhibit at the NDT 2023 table-top exhibition of NDT-related products. For further information, please contact the Events and Awards Department of BINDT.

The Venue

The Northampton Town Centre Hotel, Northampton, UK, is based just 200 metres from the town centre and less than one kilometre from the main train station, giving you easy access to Northampton's key sites. Some of the town's most popular attractions include 78 Derngate, the Northampton Museum & Gallery and the Royal and Derngate Theatre, which are also within walking distance from the hotel.

Social Programme

- **Welcome Buffet**
on the evening of Monday 11 September
- **Evening Event**
on the evening of Tuesday 12 September
- **Conference Dinner**
on the evening of Wednesday 13 September

Conference Proceedings will be published in the form of extended abstracts (max 12 pages of A4 text) and one copy will be provided for each delegate. Full written papers that are submitted may be refereed with a view to publication in *Insight*. Awards are presented for the best paper in the Proceedings and the best paper by a person in the early stages (first five years) of their career. The winning paper will be selected based on both the quality of the paper and the presentation.
