BINDT/PCN compliance with the Pressure Equipment (Safety) Regulations 2016: Guidance (GB) and European Pressure Equipment Directive 2014/68/EU

Issue 1 • March 2025

A division of

BINDT
THE BRITISH INSTITUTE OF
NON-DESTRUCTIVE TESTING

Pressure Equipment (Safety) Regulations 2016: Guidance (GB)

The Pressure Equipment (Safety) Regulations 2016 implemented Directive 2014/68/EU on pressure equipment and assemblies. The British Institute of Non-Destructive Testing (BINDT) is a Recognised Third-Party Organisation (RTPO) accredited by the United Kingdom Accreditation Service (UKAS) under the Pressure Equipment (Safety) Regulations 2016: Guidance (GB), which implements the provisions of Directive 2014/68/EU concerning pressure equipment.

The scope of the appointment is for the approval of personnel to carry out non-destructive tests on permanent joints for pressure equipment in categories III and IV in accordance with Section 22 of Schedule 2 of the regulations.

All PCN certification valid for the welding and pre- and in-service inspection sectors satisfies the Pressure Equipment (Safety) Regulations 2016: Guidance (GB).

European Pressure Equipment Directive (PED) 2014/68/EU

BINDT has received an appointment from CASL (an LRQA company), formerly WQ-iC Ltd, an RTPO and Notified Body (NoBo No 2893) based in Dublin, Ireland.

BINDT implements a robust certification process with an EU27 RTPO for the certification of non-destructive testing (NDT) personnel. This process is fully compliant with CEN/TR 15589 Route B requirements and allows BINDT/PCN to issue certification that is acceptable under the European Pressure Equipment Directive (PED) 2014/68/EU, Annex 1 § 3.1.3.

Sector	Method
2 Pre- and in-service	20 Eddy current
6 Welds	21 Magnetic particle testing
	22 Liquid penetrant testing
	23 Visual testing
	24 Ultrasonic testing
	25 Radiography
	27 Time-of-flight diffraction (TOFD)
	28 Phased array
	29 Computed radiographic testing
	34 Radiographic interpreter
	35 Computed radiographic interpreter

The British Institute of Non-Destructive Testing is an accredited Certification Body offering personnel and quality management systems assessment and certification against criteria set out in international and European standards through the PCN Certification Scheme.
