

The Scottish Branch of the British Institute of Non-Destructive Testing

Seminar on NDE 4.0

Friday 28 January 2022 from 10h30-15h30

This one-day webinar, taking place from 10h30-15h30, will include two technical sessions that will bring together experts and researchers in the field of NDE 4.0 with NDT specialists working in industry who will bring their perspectives on research and developments.

The **commercial session for exhibitors** will be held from 12h00-13h00, to present products and services from the field of NDE 4.0. A charge of £110.00 + VAT for exhibitors will include a ten-minute slot to present or demonstrate and two reservations to the virtual Burns Supper.

In the evening, from 20h00-22h00, the event will continue with a **virtual Burns Supper**. With music and songs, this celebration of the life and works of Robert Burns will also include online whisky tasting. This will follow the traditional Burns Supper format and a different malt whisky will be available for each toast. Five malts will be sent out in advance, upon receipt of registration, and expert guidance from a specialist Scotch Whisky retailer will be available on the night. There will be the opportunity for groups to breakout for private chats to enable networking opportunities. Further whisky will be available to order and there will be a free raffle for a good malt. An additional charge of £28.00 + VAT per head applies for the virtual Burns Supper and registration must be received by **Friday 14 January 2022** to allow delivery of the whisky tasting kit due to the continued impact of COVID-19 restrictions. Places are limited so please book early to avoid disappointment.

To book a place at the webinar and/or the virtual Burns Supper, please complete the registration form below and return by email to: conf@bindt.org

For registration, please complete the form and send it to the address below.

Conferences and Events Department, The British Institute of Non-Destructive Testing, Midsummer House, Riverside Way, Bedford Road, Northampton NN1 5NX, UK.
