

The Scottish Branch of the British Institute of Non-Destructive Testing

# NDT for the nuclear industry seminar

Friday 24 January 2020 at the Watermill Hotel, Paisley, UK

This seminar, in association with the University of Strathclyde's Advanced Nuclear Research Centre (ANRC), will review the evolution of nuclear NDT, lessons to be learned in nuclear and other industries and research directions for the future.

Speakers in attendance represent: the University of Strathclyde ANRC; Doosan Babcock; AWE; EDF; ONR; Rolls-Royce plc; TRAC Oil & Gas; and many more.

The seminar will be held from 10h00-16h00 at the Watermill Hotel in the centre of Paisley, within walking distance of Paisley Gilmour Street railway station and a short taxi ride from Glasgow Airport.

A **table-top exhibition** will run from 09h30-16h00 in parallel with the event, which delegates can visit during the tea/coffee and lunch breaks. The exhibition is free to attend and over ten exhibitors will be presenting the latest products and technology.

In the evening from 19h00, following a networking period, the venue will host the **Annual Burns Supper**, a celebration of the life and works of Robert Burns, with music, songs and dancing. To book a place at the Annual Burns Supper, please email: [conf@bindt.org](mailto:conf@bindt.org) (an additional charge of £29.00 + VAT per head applies).
