

UK NANDTB ADVISORY AD-004

Subject: Certification of outside agency NDT Level 3 personnel

Introduction:

It is a requirement of standard EN4179 that Outside Agency personnel providing NDT Level 3 services shall be certified to Level 3 in accordance with the standard.

Therefore Outside Agency personnel providing Level 3 services, including procedure approval and/or qualification examinations, must hold EN4179 certification at Level 3.

Policy:

The UK NANDTB recognises that NDT Level 3 certification of Outside Agency personnel to EN4179 may be achieved by:

- a) Certification in accordance with the EN4179 compliant Written Practice of the Outside Agency

and/or

- b) Certification in accordance with the EN 4179 compliant Written Practice of the Supplier to whom they are contracted.

Note:

- 1) CAA Nominated NDT Level 3 personnel shall meet the requirements stipulated in GR 23.
