NON-DESTRUCTIVE TESTING

## **PCN/GEN Appendix D0 (2009-04-02)**

### **CERTIFICATION OF COMPETENCE FOR NDT PERSONNEL IN THE WROUGHT PRODUCTS SECTOR**

This Appendix to PCN General Requirements covers the certification of personnel applying non-destructive testing to wrought and forged materials and components. Certification of personnel using surface NDT methods (MT, PT and VT) in this product sector is covered within PCN/GEN Appendix E (multi-dector)

The documents referenced below are supplementary to, and amplify the provisions of PCN General Requirements for the Qualification and Certification of NDT Personnel, as amended from time to time.

Any person requiring information concerning the content of PCN documents should address queries to the PCN Scheme Manager at the above address.

#### **APPENDIX D COVERS:**

- Appendix D1      Ultrasonic Testing
- Appendix D2      Eddy Current Testing

030

The British Institute of Non-Destructive Testing is an accredited certification body offering personnel and quality management systems assessment and certification against criteria set out in international and European standards through the PCN Certification Scheme.
