THE BRITISH INSTITUTE OF
NON-DESTRUCTIVE TESTING

PCN/GEN Appendix F0

INTERNATIONALLY RECOGNISED INDEPENDENT CERTIFICATION OF COMPETENCE FOR PERSONNEL ENGAGED IN THE APPLICATION OF NON-DESTRUCTIVE TESTING IN THE RAIL SECTOR

This Appendix to PCN General Requirements covers the certification of personnel applying non-destructive testing to general engineering materials, components and fabrications.

Certification issued as a result of success in an examination defined herein complies with European standard EN 473 (General principles for qualification and certification of NDT personnel), and with international standard ISO 9712 (Non-destructive testing - Qualification and certification of personnel).

The documents referenced below are supplementary to, and amplify the provisions of PCN General Requirements for the Qualification and Certification of NDT Personnel, as amended from time to time.

Any person requiring information concerning the content of PCN documents should address queries to the PCN Scheme Manager at the above address.

APPENDIX F COVERS:

- Appendix [F1](#) Ultrasonic Testing of Railway Axels
- Appendix [F2](#) Ultrasonic Testing of Rail
- Appendix [F3](#) Magnetic Particle Testing
- Appendix [F4](#) Liquid Penetrant Testing.

The British Institute of Non-Destructive Testing is an accredited certification body offering personnel and quality management systems assessment and certification against criteria set out in international and European standards through the PCN Certification Scheme.
