

EXAMINATION AVAILABILITY
(PSL/4 Issue 112 date 1st May 2023)

PCN examinations are available at a number of Authorised Qualifying Bodies (AQBs) and examination centres. Many AQBs have a high degree of flexibility and can conduct PCN examinations at any location, including overseas, upon demand.

Table 1 shows all current BINDT Authorised Qualifying Bodies, whilst Table 2 shows Examination Centres where PCN examinations are either permanently or frequently available.

EXAMINATION AVAILABILITY BY INDUSTRY/PRODUCT SECTOR AND NDT METHOD

The headquarters location of the Authorised Qualifying Body is shown in **bold** type. Other locations where PCN examinations are *permanently* available are indicated as such. At all other examination centres, PCN examinations are available on a periodic or ad hoc basis.

All initial contacts and requests for examination information should be direct to the Authorised Qualifying Body, at the address/telephone/email given in Table 1, unless alternative contact information is given under the examination centre location concerned.
